VOLUNTEER OPPORTUNITIES

Volunteers drive our program and contribute to the success of the CRMS Athletics program. There will be opportunities this year to volunteer for concessions as well as game day meals.

Each family is responsible for working one concessions stand shift per season in which your athlete participates. Concessions sales contribute tremendously to the success of our booster fundraising, so we ask for your continued support as volunteers and concessions supporters. Volunteer sign-ups will be posted soon.

All volunteers need to be registered with LISD. This registration must be renewed annually. You can complete this process on the [LISD Volunteer website](#).

SPIRIT WEAR AND ATHLETICS GEAR

The CRMS Athletics Booster Club has designed a great looking set of gear for students, families, and friends to wear and show support for the CRMS athletics program. Spirit wear will be pre-order only and available to order starting August 13th via this [link](#). A sneak peek is below! We only do one order per year, so don't miss out in August if your student play sports in winter or spring.

If you ordered the shorts, tshirts, or bags students use for athletics practice from the BSN Online store in the spring, your students will receive their orders at school. If you realized over the summer your student needs additional clothing to wear for athletics practices, the Booster club will be coordinating an order from the BSN store in mid-August through your sport registration forms or our general spirit wear/practice clothes form.

Keep an eye on your email or the CRMS Athletic Boosters [Facebook](#) and [Instagram](#). We will share one form that will include spirit gear orders, athletic practice gear orders, as well as game day meal details.

BUSINESS SPONSORSHIPS

The CRMS Athletics community encompasses a large and diverse group of students and families. If your business is interested in reaching these families and supporting the growth of our student athletes, we have business sponsorship opportunities available. You can learn more about the benefits of sponsorship [here](#).
